Our Mission

At Learn Key Institute, we are committed to shaping the future of education. We continuously evolve to meet the needs of our students, industry partners, and community. Our mission is to empower learners with the knowledge, skills, and support they need to succeed in a dynamic and ever-changing world.

Message from the Head of Institution

At Learn Key Institute, our mission is to empower students through relevant, high-quality education.

We understand that each learner is unique — which is why our programmes are designed to be flexible, practical, and closely aligned with industry needs.

As you explore your educational journey, we are here to support you with expert guidance, real-world insight, and a welcoming learning environment.

We look forward to helping you take the next step toward your personal and professional goals.

Mr Mahamood Hossain
Head of Institution

Welcome to Learn Key

Message from the Dean of Academy

We are proud to offer a diverse range of programmes that combine academic depth with practical skills. With strong ties to industry and an emphasis on flexibility, our courses are tailored to meet the needs of today's learners.

Whether you're advancing your career or changing direction, our team is committed to supporting your success.

Thank you for considering Learn Key — we're excited to be part of your journey.

Ms Shirley Thomas
Dean of Academy

About Learn Key

Since 1995, Learn Key has been shaping futures with accredited programmes from ACCA Gold Centre, City & Guilds, OTHM, ECDL, ILM, and the NCFHE. We are committed to delivering quality education that equips students with essential skills—management, analytical, and leadership—to thrive in today's dynamic world.

Our vision is to blend theoretical knowledge with practical experience, preparing learners to meet industry demands and become entrepreneurs, leaders, and community builders.

Why choose Learn Key

- Accredited by prestigious international bodies
- Expert faculty focused on quality teaching
- Innovative learning supported by state-of-the-art facilities

Learn Key Malta

MALTA CAMPUS

Located in central Msida, LK International offers international students a convenient base from which to study and experience Malta. The school is well connected by public transport and within easy reach of Valletta, St Julian's and other key areas. With shops, cafés and essential services nearby, students can enjoy a comfortable daily routine in a welcoming, multicultural and English-speaking environment.

OUR CAMPUS FEATURES:

- Spacious, bright classrooms equipped with the latest digital technology
- A well-stocked study centre and library with computers for self-study
- Casual computer lounge open throughout the day
- Free WiFi throughout the campus
- Wheelchair-friendly facilities

OTHM UK Level 4 / MQF Level 5

Diploma in Business Management

Qualification Number: 610/0763/8

Duration, Credits and ECTS

- **Fast Track:** 6 Months
- **Normal Track:** 12 Months
- **Total Credits:** 120
- **Total ECTS:** 60

Eligibility

- Applicants must be **18 years of age or older** at the time of enrolment.
- **English language proficiency** is required. Non-native speakers must provide evidence of competency.

Course Description

This qualification provides a solid foundation in business management, equipping learners with essential knowledge and practical skills. It develops confident, independent thinkers who can adapt to challenges in a business environment. The course combines theory and practice in areas such as leadership, finance, communication, and global operations.

Mandatory Units

- Academic Writing and Research Skills (20 credits/10 ECTS)
- Business Operations (20 credits/10 ECTS)
- Communication in Business (20 credits/10 ECTS)
- Finance and Accounting (20 credits/10 ECTS)
- Leading and Managing Teams (20 credits/10 ECTS)
- Operating in a Global Context (20 credits/10 ECTS)

Career Opportunities / Progression

Graduates can progress to university studies or take up roles in business administration, office support, team coordination, or junior management, gaining practical experience and skills for future career growth.

Please request the price list via WhatsApp for further information.

OTHM UK Level 4 / MQF Level 5

Diploma in Information Technology

Qualification Number: 610/1191/5

Duration, Credits and ECTS

- **Fast Track:** 6 Months
- **Normal Track:** 12 Months
- **Total Credits:** 120
- **Total ECTS:** 60

Eligibility

- Applicants must be **18 years of age or older** at the time of enrolment.
- **English language proficiency** is required. Non-native speakers must provide evidence of competency.

Course Description

This qualification provides learners with a solid foundation in information technology, equipping them with practical skills and theoretical knowledge. The programme covers key areas such as cyber security, programming, systems analysis, and web development. Graduates will be prepared to enter the IT workforce or continue their studies at university.

Mandatory Units

- Cyber Security (20 credits/10 ECTS)
- Principles of Computer Programming (20 credits/10 ECTS)
- Systems Analysis and Design (20 credits/10 ECTS)
- Web and Mobile Applications (20 credits/10 ECTS)
- Computer and Network Technology (20 credits/10 ECTS)
- Managing Digital Information (20 credits/10 ECTS)

Career Opportunities / Progression

Graduates can progress to university studies or take on roles such as IT support technician, junior developer, network administrator, systems analyst, or digital operations assistant, gaining practical experience to build a career in the IT industry.

Please request the price list via WhatsApp for further information.

OTHM UK Level 4 / MQF Level 5

Diploma in Tourism and Hospitality Management

Qualification Number: 610/1522/2

Duration, Credits and ECTS

- **Fast Track:** 12 Months
- **Normal Track:** 18 Months
- **Total Credits:** 120
- **Total ECTS:** 60

Eligibility

- Applicants must be **18 years of age or older** at the time of enrolment.
- **English language proficiency** is required. Non-native speakers must provide evidence of competency.

Course Description

This qualification prepares learners to develop management skills in the tourism and hospitality industry, applying contemporary knowledge and best practices. Learners gain practical and theoretical understanding to manage operations effectively and respond to complex challenges. Graduates will be equipped to enter the workforce or continue their studies in related fields.

Mandatory Units

- Digital Marketing Management for Tourism and Hospitality (20 credits/10 ECTS)
- Operations Management (20 credits/10 ECTS)
- Management Accounting (20 credits/10 ECTS)
- Management of Human Resources (20 credits/10 ECTS)
- Customer Relationship Management (20 credits/10 ECTS)
- Contemporary Issues in Tourism and Hospitality (20 credits/10 ECTS)

Career Opportunities / Progression

Graduates can progress to university studies or pursue roles such as hospitality supervisor, operations coordinator, guest relations officer, events assistant, or management trainee, gaining practical experience to build a career in tourism and hospitality.

Please request the price list via WhatsApp for further information.

OTHM UK Level 4 / MQF Level 5

Diploma in Health and Social Care Management

Qualification Number: 610/0784/5

Duration, Credits and ECTS

- **Fast Track:** 6 Months
- **Normal Track:** 12 Months
- **Total Credits:** 120
- **Total ECTS:** 60

Eligibility

- Applicants must be **18 years of age or older** at the time of enrolment.
- **English language proficiency** is required for non-native speakers.

Course Description

This diploma provides learners with the knowledge and practical skills needed for health and social care settings. Students develop an understanding of equality, resource management, communication, and professional practice. The programme prepares graduates for entry-level roles or further studies in health and social care management.

Mandatory Units

- Promoting Equality, Diversity, and Inclusion in Health and Social Care (20 credits / 10 ECTS)
- Professional Development and Academic Writing Skills (20 credits / 10 ECTS)
- Communication in the Caring Professions (20 credits / 10 ECTS)
- Principles of Health and Safety for Health Professions (20 credits / 10 ECTS)
- Assessment Processes in Health and Social Care Settings (20 credits / 10 ECTS)
- Resource Management in Health and Social Care (20 credits / 10 ECTS)

Career Opportunities / Progression

Graduates can pursue roles such as care support worker, team leader, healthcare administrator, or supervisor in health and social care settings. The qualification also provides a pathway to further studies in health and social care management and related fields.

Please request the price list via WhatsApp for further information.

MQF Level 5

ACCA Diploma in Accounting and Business

Duration

- **Fast Track:** 6 Months
- **Normal Track:** 12 Months

Eligibility

- Applicants must be **18 years of age or older** at the time of enrolment.
- Applicants must have **three A-Level passes in relevant subjects, plus a pass in English and Mathematics at O-Level**, or have **successfully completed ATI or CAT examinations**, with exemptions granted where applicable.
- **English language proficiency** is required. Non-native speakers must provide evidence of competency.

Course Description

This qualification provides a solid foundation in accounting and business, combining essential theoretical knowledge with practical skills. Learners develop competence in financial management, corporate law, and business strategy, preparing them for entry-level accounting roles or further professional study. The programme equips students with the analytical and technical skills needed to succeed in a variety of business environments.

Mandatory Units

Part 1 – Diploma in Accounting and Business:

- F1 Accountant in Business
- F2 Financial Accounting
- F3 Management Accounting

Part 2 – Advanced Diploma in Accounting and Business:

- F4 Corporate and Business Law
- F5 Performance Management
- F6 Taxation
- F7 Financial Reporting
- F8 Audit and Assurance
- F9 Financial Management

Career Opportunities / Progression

Graduates can pursue entry-level roles in accounting, finance, and business administration, such as accounts assistant, junior financial analyst, or bookkeeping officer. They are also well-prepared to progress to further ACCA professional qualifications or other advanced accounting and finance studies.

Please request the price list via WhatsApp for further information.

MQF Level 5

Undergraduate Diploma in Strategic Business Management

Duration and ECTS

- **Fast Track:** 12 Months
- **ECTS:** 60

Eligibility

- Applicants must be **18 years of age or older** at the time of enrolment.
- **English language proficiency** is required. Non-native speakers must provide evidence of competency.

Course Description

This Undergraduate Diploma provides learners with foundational knowledge and practical skills in strategic business management. Students develop capabilities in leadership, decision-making, and business analysis. Graduates are prepared for managerial support roles or to continue further studies in business and management disciplines.

Career Opportunities / Progression

Graduates can pursue roles such as junior manager, project coordinator, business analyst, or team leader. The qualification also provides a pathway to further studies, including top-up degrees or advanced diplomas in business management and related fields.

Mandatory Units

- Strategic Management (10 ECTS)
- Strategic Leadership (10 ECTS)
- Strategic Human Resource Management (10 ECTS)
- Strategic Financial Management (10 ECTS)
- Strategic Change Management (10 ECTS)
- Business Research Methods (10 ECTS)

MQF Level 6

Bachelor of Science (BSc.) in Software Design, Artificial Intelligence, and Cloud Computing

Duration and ECTS

- **Fast Track:** 36 Months
- **Normal Track:** 48 Months
- **ECTS:** 180

Course Description

This degree equips learners with advanced knowledge in software design, artificial intelligence, and cloud computing. Students gain practical skills in programming, AI applications, data science, and cloud technologies. Graduates are prepared for roles in software development, AI, and IT systems management or for further postgraduate study.

Eligibility

- Applicants must be **18 years of age or older** at the time of enrolment.
- Applicants must meet one of the following academic requirements:
  - **MQF Level 5 qualification** related to Software Design, IT, or Computing. Qualifications in related fields may also be considered under the Recognition of Prior Learning (RPL) policy.
  - **MQF Level 4 qualification** in Software Design, IT, or Computing, plus a minimum of 3 years relevant industry experience, considered under the RPL policy.
  - **A-Level qualifications**: 2 A-Level passes (one in Accounting or Economics) plus 2 Intermediate Level passes.
- **English language proficiency** is required. Applicants whose first language is not English must provide evidence of competency.

Mandatory Units

Year One

- Mathematical Foundations for Computing and Engineering (5 ECTS)
- Foundations of Software Development with C++ and Python (5 ECTS)
- Data Structures and Algorithms in Software Engineering (5 ECTS)
- Introduction to Computer Graphics and 3D Programming (5 ECTS)
- Service-Oriented Architecture and Microservices Fundamentals (5 ECTS)
- Probability and Statistics Foundations with Applications (5 ECTS)
- Introduction to Artificial Intelligence: Search, Logic, and Learning (10 ECTS)
- Foundations of Cloud Computing (10 ECTS)
- Introduction to DevOps: Principles and Practices (10 ECTS)

Year Two

- Foundations of Data Science: Principles and Tools (5 ECTS)
- Foundations of Database Systems with Networking Insights (5 ECTS)
- Principles of Network Architecture and Database Systems (10 ECTS)
- Specialized Applications and Ethical Considerations in AI (10 ECTS)
- Statistical Models for Regression and Classification (10 ECTS)
- Cloud Application Development Fundamentals (10 ECTS)
- Cloud Computing Techniques and Infrastructure (10 ECTS)

Year Three

- Machine Learning: Concepts and Applications (5 ECTS)
- Natural Language Processing and Speech Recognition (5 ECTS)
- Deep Learning: Neural Networks and Applications (5 ECTS)
- DevOps Practices and Automated Workflows (5 ECTS)
- Data Mining: Techniques and Visualization (5 ECTS)
- Scaling and Monitoring in the DevOps Environment (5 ECTS)
- Graduation Project (30 ECTS)

Career Opportunities / Progression

Graduates can pursue roles such as software engineer, AI developer, cloud solutions architect, DevOps engineer, or data analyst. The degree also provides a pathway to postgraduate study in artificial intelligence, software engineering, or cloud computing disciplines.

OTHM UK Level 7 / MQF Level 7

Diploma in Strategic Management and Leadership

Qualification Number: 603/2181/7

Duration, Credits and ECTS

- **Fast Track:** 6 Months
- **Normal Track:** 12 Months
- **Total Credits:** 120
- **Total ECTS:** 60

Eligibility

- Applicants must be **21 years of age or older** at the time of enrolment.
- Applicants must **possess an Honours degree in a relevant or related subject**.
- **Mature learners** with relevant management or professional experience may also apply, subject to verification of their experience with the delivery centre prior to registration.
- **English language proficiency** is required. Non-native speakers must provide evidence of competency.

Course Description

This qualification develops advanced strategic management and leadership skills for experienced managers. Learners will gain practical and theoretical knowledge to translate organisational strategy into effective operational performance. It is suitable for those looking to progress in senior management roles or continue to an MBA.

Mandatory Units

- Strategic Management (20 credits/10 ECTS)
- Strategic Leadership (20 credits/10 ECTS)
- Strategic Human Resource Management (20 credits/10 ECTS)
- Advanced Business Research Methods (20 credits/10 ECTS)

Optional Units (Choose any TWO):

Student Support Services

Visa Support

Our dedicated team is here to assist you throughout your visa application process, ensuring a smooth and stress-free experience.

Student Counselling

Qualified staff are available to provide confidential counselling and support on a variety of issues, from academic challenges to personal well-being.

Accommodation Assistance

We can help you find accommodation that fits your budget and personal preferences, making your stay comfortable and convenient.

Additional Student Services

Airport Pickup

Upon request, students will be warmly greeted at the airport by a designated representative as part of our Meet and Greet programme.

Orientation Programme

Our comprehensive orientation provides essential information through face-to-face sessions, designed to help students settle in smoothly and enjoy their time at Learn Key.

Employment Assistance

Our Student Welfare Officer is committed to supporting students in gaining valuable work experience while studying at Learn Key Training Institute.

Terms & Conditions

Visa Refusal

In the event of cancellation due to visa rejection, Learn Key Training Institute requires a written notification along with supporting documentation. These must be submitted at least 14 days prior to your listed arrival date. Upon receipt of valid documentation within this timeframe, 100% of tuition fees will be refunded.

If visa refusal evidence is not provided within the required period, a cancellation fee equivalent to one week's full accommodation and tuition fees will apply.

Please note the following fees are non-refundable and may apply:

- Postage (DHL/Fedex) fee
- Accommodation placement fee
- Administration fee of €200
- Bank Transfer fees
- Any monetary differences resulting from currency exchange rate fluctuations

Refund Processing

Refunds may take up to 15 working days to process.

Visa Holders

Students who have obtained a visa or visa extension as a result of enrollment will not be entitled to any refund.

Cancellation Policy

- If cancellation is received at least 20 days prior to the course start date, fees will be refunded minus the non-refundable deposit of €200.
- If cancellation is received between 7 and 19 days before the start date, 50% of the course fees will be refunded.
- Cancellations received less than 7 days before the start date are non-refundable.

Cancellation after arrival

- Once a student has started their course at Learn Key Institute, they are expected to complete the full course of study as per the initial enrollment period. No refunds will be given for withdrawal before completion.
- Course changes may be permitted; however, students may be required to pay the difference if transferring to a more expensive course. No refunds are issued for course changes, including transfers to less intensive courses.
